

Networked Insurance Agents wins Safeco Insurance® All-In Make More Happen Award, \$3,000 donation to benefit DVSAC of Grass Valley

<Grass Valley, CA> (Dec 4, 2014) — Networked Insurance Agents has earned the All-In Make More Happen Award from Safeco Insurance® for its commitment to encouraging all employees to get involved in the community.

In honor of Networked’s award and volunteerism, the Domestic Violence and Sexual Assault Coalition will receive a \$3,000 donation from Safeco on behalf of Networked Insurance Agents.

Safeco® All-In Make More Happen Awards are designed to recognize independent insurance agencies that take an “all-in” approach to volunteering. Winners have a high level of employee participation in volunteer activities for 501(c)(3) organizations that focus on education, health and safety, or civic engagement.

“Networked employees volunteer because we believe in empowering communities to thrive,” said George Biancardi, President and CEO, Networked Insurance Agents. “It’s wonderful that Safeco Insurance supports that mission with the All-In Make More Happen Award. We are honored to be recognized, but most importantly, we are thrilled that the DVSAC will receive \$3,000 to continue its important work in the Grass Valley-area.”

DVSAC Associate Director, Beth Bordner, describes Networked as, “an active supporter in many ways, for which we are so grateful.”

Safeco selected 14 agencies countrywide for an All-In Make More Happen Award and as a result, \$42,000 will be delivered to charities just in time for the holiday season — a period of increased need for many nonprofits.
